

For Immediate Release

Estate Planning Law Center Receives The Guardian Angel Award & The “Carbone Family” Community Service Award.

David J. Zumpano, Esq/CPA and The Estate Planning Law Center were awarded The Guardian Angel Award from the Family Nurturing Center at this year’s 2011 Family of the Year Event that took place in late June. The award recognizes the dedication to the children and families of our community. Mr. Zumpano and his staff at the Estate Planning Law Center were also awarded the “Carbone Family” Community Service Award.

“David has been a guardian angel since I met him. This year he and his team coordinated the first ever Family Fun Day along with Pop the Cork and helped with the coordination of the Family of the Year annual event” said Executive Director Donna Elefante. “Because we are a not-for-profit, we would not have been able to raise such a large amount of money on our own. We are very thankful for David and his wonderful team at Estate Planning Law Center.”

The Estate Planning Law Center is committed to giving back to our community.
