

The Estate Planning Law Center ... Serving Different People In Different Ways.

At the Estate Planning Law Center we serve different people from every walk of life. In today's changing times people have different needs, that's why our law firm has grown to be able to assist everyone.

Traditional Planning including wills, health care proxies, living wills, powers of attorney, trusts and probates.

Modern Planning to help deal with issues unique to single people, widow(ers), unmarried couples, blended families and providing for your pets.

Special Needs Planning to help you protect a disabled family member.

Future Care Planning to ensure you or your loved ones have the opportunity to remain home should the need for long-term care occur.

One law firm serving different people in different ways.

The Estate Planning Law Center...Keeping Life Simple.
